Dispute Resolution

---

### Practice Focus

Andrew specializes in corporate and commercial disputes, particularly in the fields of company law, corporate insolvency, banking and securities law. He also regularly advises companies and private individuals on the requisitioning and conduct of general meetings and shareholders rights. Andrew also has an active inheritance, wills and probate practice where he is often engaged in contentious probate and administration disputes. Alongside his court practice, Andrew is also active in both domestic and international arbitration and has appeared before tribunals convened under the auspices of AIAC and SIAC.
